

THE PMI METRO ST. LOUIS CHAPTER SCHOLARSHIP

The PMI Metro St. Louis Chapter is providing an academic scholarship to be administered by the PMI Educational Foundation (PMIEF) **Scholarship and Awards Program**. PMIEF, a charitable nonprofit organization, supports development of the best and brightest future project management professionals worldwide by providing over 40 academic scholarships to college and university students studying project management and related fields.

The PMI Metro St. Louis Chapter Scholarship is not only an excellent way to help a student realize their dreams through education, but it is also an opportunity for the chapter and its members to engage local academic institutions and to help promote the chapter's work as well as the project management profession. Also, the chapter has endowed the scholarship so that it will live on in perpetuity.

Please help spread the word about this new scholarship opportunity!
